

# Immunize and Win a Prize!

## Vaccines For Children Outreach Project

Each time you bring in your child for an immunization, you'll receive a different item:

- Children's Tylenol®
- Bee Wise sticker
- Digital thermometer
- Beanie Bee

For each child that completes the primary series (4-3-1-3-3-1) during the program, you'll be entered into a grand prize drawing, held in September 2005!

### One Grand prize will be awarded:

- Four days, five nights at Walt Disney World®!
- Includes airfare, meals and lodging.

All local, state and federal taxes are included in the grand prize. KDHE assumes no liabilities related to the prizes awarded.

### Along with 12 other weekend vacations:

- Weekend in Wichita and the Sedgwick County Zoo. Includes hotel accommodations, meals, transportation & zoo tickets.

### And three prizes for each county:

- \$500 toward your rent or mortgage.
- 30 hours of long distance.
- \$500 toward the utility bill of your choice: gas, water or electricity.

**Your child must complete his or her immunization series for your family to win.**

**All children,  
ages birth–24 months,  
need immunizations  
to prevent future  
illness. Bring in  
your child until  
September 16, 2005,  
to be immunized  
and receive free gifts  
to help them stay  
healthy.**
